Details of Revised Transmission Capacity allocation of distribution licensees for the month of April 2012

Please find herewith the Revised Weighted Avg. entitlement of the Distribution Licensees for the purpose of distribution of Transmission Charges for the month of April, 2012. The Transmission capacity for the month of April'12 is being revised due to an inadvertent error in calculation of Capacity Allocation of Maithon(DVC) & CLP Jhajjar for Discom for the month of April'12.

The same has been corrected & revised the Capacity Allocation accordingly for the month of April'12. The Transmission capacity allocation to distribution licensees is posted in SLDC website also.

As above

Yours faithfully,

DGM(System Operation)
